Subject: **ELECTRICAL TESTING, COMMISSIONING AND POWER RECEIVING**

Dear Sir,

On behalf of IHI Orimulsion project team, we write to acknowledge the positive contribution J.M. Pang & Seah (Pte) Ltd has made to the abovementioned project. J.M. Pang & Seah's professionalism and performance in completing safely and on schedule the testing and commissioning of the electrical equipment and power receiving of the 66kV Power System from the existing network, are appreciated and deserve to be recognized.

We are happy for a job well done and have no hesitation in recommending with J.M. Pang & Seah (Pte) Ltd for future projects.

Yours faithfully,

M.NAKADA, SITE Manager
